PRODUCT CATALOGUE

CONTENTS

A modern building with a blue brick facade and glass windows, set against a dark background with trees. The building has a unique, stepped design with several levels of glass-enclosed balconies or terraces. The overall scene is dimly lit, suggesting dusk or dawn.

SERVER & STORAGE

 Description

- Cluster hardware
- Hyperconverged
- Software
- Storage
- Virtualisasi
- Manajemen & monitoring
- Pengaturan & integrasi

 Description

- Motherboard
- Processor (CPU)
- RAM
- Hard Drive atau SSD
- Graphics Card (GPU)
- Power Supply
- Optical Drive
- Input devices
- Output devices

Lenovo

 Description

Motherboard
Processor (CPU)
RAM
Hard Drive atau SSD
Graphics Card (GPU)
Layar
Keyboard & Touchpad
Baterai
Kamera
Sistem Operasi
Perangkat Lunak Tambahan
Koneksi Jaringan
Port

SANGFOR

 Description

Hardware Server
Virtualisasi
Keamanan Jaringan
Pengaturan dan Integrasi
Cloud Computing
Manajemen & Monitoring
Aplikasi Tambahan

Description

- Motherboard
- Processor (CPU)
- RAM
- Hard Drive atau SSD
- Graphics Card (GPU)
- Layar
- Keyboard & Touchpad
- Baterai
- Kamera
- Sistem Operasi
- Perangkat Lunak Tambahan
- Koneksi Jaringan
- Port

CLOUD NATIVE INFRASTRUCTURE

kubernetes

Description

- Master & Worker Node
- Pods
- ReplicaSets
- Services
- Volumes
- ConfigMaps & Secrets
- Network Plugins

OPENS SHIFT

Description

- OpenShift Container Platform
- Buildah
- Source-to-Image (S2I)
- Operators
- Templates
- Image Registry
- Operators Hub
- Source Control Management

RANCHER[®]

Description

- Rancher Server
- Kubernetes
- Cattle
- Docker
- Rancher Compose
- Helm
- Istio
- Monitoring
- Logging

NETWORKING

 Description

- Networking
- Collaboration
- Security
- Internet of Things (IoT)
- Data Center
- Cloud
- Services

 Description

- Routing
- Switching
- Security
- Software-defined networking
- Management
- Wireless

H3C

 Description

aruba

 Description

Access Points
Wireless LAN Controller
ClearPass
Aruba Central
Switches
Network Analytics & Assurance

RUCKUS™

 Description

Access Points
SmartZone
Cloudpath
Switches
Analytics

SECURITY

Description

- Firewall
- Unified Threat Management
- Secure Wi-Fi
- Multi-Factor Authentication
- Network Visibility
- Endpoint Security

Description

- Firewall
- Cloud Security
- Network Security Management
- Data Center Security
- Endpoint Security
- Advanced Threat Detection

Description

- Next-Generation Firewall
- Cloud Security
- Network Security Management
- Threat Intelligence
- Endpoint Security

FORTINET®

 **Description**

FortiGate Next-Generation Firewall
FortiManager Security Management
FortiAnalyzer Security Analysis
FortiClient Endpoint Security
FortiMail Secure Email Gateway

SANGFOR
